Federated Payments Canada is a leading provider of merchant account services for independent business owners. Since 1999, Federated has helped merchants save money and increase profits. Along with low cost credit and debit card processing, we offer a complete suite of value added services and LIVE 24/7/365 customer service and technical support.

\* The more transactions, the less monthly minimum transaction fee you will be charged. The minimum fee for merchants with over \$2,000 in monthly credit card transactions is zero.
